RE: Justin Michael Chappell

4 TARA DRIVE UNIT 4

WEYMOUTH, MASSACHUSETTS, 02188

To Whom It May Concern:

Mr. Chappell is a returning veteran who has served in warzone deployments. Due to the nature of having served in a warzone, it is often triggering for veterans to be exposed to loud, abrupt and intrusive noises in their environment. Mr. Chappell is requesting that the noise level in his residence be managed as it is negatively impacting him at this time. Your attention to this important matter is greatly appreciated.
